

Holland Park W12

Client: Private Client

Value: £1.3 million

Description of the work:

Remodelling of a five-bedroom, three-bathroom house in Holland Park, W12, to a high standard. The project included the waterproofing of the basement together with structural alterations to all floors. It also included a new conservatory and installation of a new kitchen together with a cinema and full internal and external redecoration.

Architect: Adams + Collingwood Architects.
