

Royal Surrey County Hospital Guildford

Client:

Royal Surrey County Hospital, Guildford.

Description of the works:

Construction of the new Operating Theatre 12 at the Royal Surrey County Hospital in Guildford. It included the installation of an innovative Air Curtain system round the operating table.

Value: £630,000

Architect: Drake & Kannemeyer

Notes:

This was a 25-week new-build contract in a courtyard in the Hospital: a tight programme requiring considerable care in a confined space with limited access.
