

High-class residential remodelling

Strand on the Green, Chiswick, W4

Client: Private Client

Value: £1.2m

Description of the work:

This was a particularly interesting and demanding contract which was a very careful and detailed restoration of the original 1720 building. It included the installation of a full width high-quality and fully-fitted ultra-modern kitchen opening onto a courtyard garden. It included the remodelling of the top floor into an impressive reception room looking out over Kew Gardens and also the conversion of the garage building into an entrance hall, garage and two studio bedrooms with integral kitchen and bathroom.

Architects: Adams + Collingwood, London W12

Contract Duration: 44 weeks
