

The Pepperpot, Godalming

Client: Waverley Borough Council

Description of the works:

Extensive interior and external renovation of The Pepperpot - a Listed Building in the centre of Godalming. This included the installation of a new metal-finish roofing system.

Principal Consultant:

Architects: Drake & Kannemeyer

Contract Value: £245,000

Contract Duration: 16 weeks

Items to note

This was a relatively small but very demanding renovation contract on a very old and very well-known local Community building in the centre of Godalming. The site was very tight and restricted for access.
